

2024 Impact Report

Thank you for being
change-makers

Thanks to your support of The Off Ramp and Threads by Nomad, we've been able to turn challenges into opportunities affecting hundreds of displaced families this year.

Core Impact Highlights

2 SERGER AND 4 SEWING MACHINES were given to seamstresses living in the United States, Uganda, and Myanmar

80 HOUSEHOLDS served through our **Furniture Bank** from Aug. '23 - Dec. '24

30 HOURS mentoring and training textile artists

276 BACKPACKS provided for refugee children in Houston, TX and the Carolinas

20 HOURS OF TRAINING to be a sponsor for Welcome Corps

\$2,000 IN GIFT CARDS distributed to displaced families in Western NC

You Made This Possible

In August, with the help of 25 volunteers and your generous contributions, we equipped 18 international teachers and a single mother with beds, furniture, and household essentials. These teachers, new to the U.S., now have a home to thrive in.

Global Connections

Supported artisans globally with training, mentoring, and supplies, including displaced persons in Myanmar and Uganda, helping them rebuild where they are.

Partnered with Make Welcome to donate 2 sewing machines and train 5 women in creating handcrafted products.

looking ahead

Together, we can continue to build opportunities and support for displaced families. Your contributions and partnership make all the difference. We continue to prepare for the hopeful arrival of the two refugee households from Afghanistan we have committed to sponsoring through the Welcome Corps. We also are advocating on their behalf with our elected representatives and the State Department.
